

FOR WAREHOUSE & LOGISTICS

The procedure exists. Cortex finds it in seconds, at 2am if need be.

SOPs, compliance sheets, client handling rules — the answers are written down somewhere. Cortex surfaces the right one instantly, with its source.

SOUND FAMILIAR?

- “What's the procedure for a damaged delivery?”
- “Which carrier did we use for that route?”
- “Where's the current dangerous-goods handling sheet?”
- “What's our returns process for this client?”

See it answer your questions.
